

‘The important role of primary care in follow-up for cancer survivors’

Wednesday June 30, 2020.

Recommended resources to support survivorship care in primary care practice

Online educational resources available for GPs & PCNs professional development:

- VCCC Massive Open Online Course (MOOC) Cancer Survivorship for Primary Care Practitioners including GPs, Nurses, allied health professionals (endorsed by Australian College of Nursing), www.futurelearn.com/courses/cancer-survivorship
- eviQ cancer education for health care professionals – Cancer survivorship introductory course, <https://education.eviq.org.au/courses/supportive-care/cancer-survivorship-introductory-course>

Online resources for health professionals and survivors:

- Australian Cancer Survivorship Centre – Resources for both Health Care Professionals and consumers (survivors and carers), www.petermac.org/cancersurvivorship
- Common Survivorship Issues Directory, www.petermac.org/survdirect
- Online tool to develop survivorship care plans, www.mycareplan.org.au
Survivorship care plan generator for people treated for early stage breast, bowel or prostate cancer
- Videos describing the role of primary care in cancer survivorship, <https://www.petermac.org/services/support-services/australian-cancer-survivorship-centre/health-professionals/resources-and>
- Faculty of Radiation Oncology, The Royal Australian and New Zealand College of radiologists: Information for general practitioners, including about side effects and follow-up care, www.targetingcancer.com.au
- Cancer council: high quality evidence based resources in many languages, www.cancer.org.au/about-cancer/after-treatment

Australian guidance documents:

- Link to ACSC shared care guidance, www.petermac.org/acsc/hp/models-care
- Cancer Council – primary care resources, <https://cancer.org.au/health-professionals/primary-care-resources>
- Cancer Council Australia – Cancer Council Australia’s Clinical Guidelines Network platform, <https://wiki.cancer.org.au/australia/Guidelines>
- Cancer Council – Optimal cancer care pathways, www.cancer.org.au/health-professional/optimal-cancer-care-pathways.html
- Clinical Oncology Society of Australia (COSA) Model of Survivorship Care, www.cosa.org.au/groups/survivorship/resources
- Cancer Australia – Principles of cancer survivorship, <https://canceraustralia.gov.au/publications-and-resources/cancer-australia-publications/principles-cancer-survivorship>
- ACSC directory of guidelines, <https://www.petermac.org/services/support-services/australian-cancer-survivorship-centre/health-professionals/directory>
