UNITED COLORS OF US

Wherever you are, take a moment, look around. Everything you see is up for interpretation and every interpretation will vary from person to person. We are all different and come from many places and experiences... this is diversity.

At Peter Mac we value and embrace differences because ‘everyone belongs’. To celebrate the diversity of our communities, Peter Mac celebrates Harmony Day on Thursday, 21st March, 2019, a day to mark cultural respect for everyone who calls Australia Home.

This year, to celebrate and embrace our differences, we invite everyone at Peter Mac to take part in a photographic collage event. The aim of the event is to collect photos from participants that reflect their interpretation of their diversity. The theme title of our event is ‘The United Colors of Us’ and the photos will be collected and displayed in the Wellbeing Centre.

The photo submission criteria are:

**Important note:** Your submission of a photo(s) will be deemed as on-going consent for Peter Mac to own, use and/or display the photo as it sees fit.

1. Take a photo and send to the email address: WellBeingcentre@petermac.org.
2. Make sure you mark the email subject field as: United Colours of Us.
3. Photos should capture a scene or object that mean diversity and belonging to you.
4. The collaging event is open to the following participant categories:
   (a) Peter Mac patients, family, carers and consumers
   (b) Peter Mac staff members
5. When you submit your photo via email, please ensure you:
   (a) advise the participant category you are from; and
   (b) a brief caption and/or title of no more than 20 words to describe your picture and how it means diversity and/or belonging to you.
6. The event will run from Monday 18th March 2019 to Friday 22nd March 2019.
7. All photo uploads will be collected and displayed in the Wellbeing Centre.
8. Photos will remain the property of Peter Mac for use and/or distribution as required.

Other competition information:

(a) Please submit your best quality photos (unless of course poorer quality photos are intentional in capturing your interpretation of diversity and/or belonging).
(b) Photos, after submission, will become the property of Peter Mac.
(c) Photos, after submission, may be used for display purposes as deemed necessary by Peter Mac.
